

## LIMBS & NEEDLES MAGAZINE SUBSCRIPTION

*Limbs & Needles* is a full color publication that is distributed to NC Christmas Tree Association members and industry affiliates two times per year. Its objective is to help meet the needs of people engaged in the production and marketing of real Christmas trees in North Carolina. North Carolina is second in the United States in real Christmas tree production, with a sales value in excess of \$85 million, not including sales of value-added greenery products.
